### **Annual Meeting-2016**

The Annual meeting was held on June 4<sup>th</sup> at the Borough pavilion. There were 32 people in attendance. We had a great meeting. Thank you to all that attended!

### **Bennetts Run**

The DEP has told us we must repair it or remove it. We will be repairing it. We need the diversion dam to supply our lake with water. We will first get it surveyed. Then our engineer will prepare the blueprints for the repair and place his seal on it. Next step will be getting the permits and finally doing the repair work. This is a big project and it will help us gain knowledge before proceeding with the repair of the Earthen Dam.

### **Collection of Maintenance Fees**

The Board presented a proposal to the members for pursuing legal action to collect maintenance fees from the nonpaying people. The proposal was voted on and passed.
